AAUW's Mission

AAUW advances equity for women and girls through advocacy, education, philanthropy, and research.

AAUW is the nation's leading voice promoting equity and education for women and girls. Since our founding in 1881, AAUW members have examined and taken positions on the fundamental issues of the day — educational, social, economic, and political.

Our April Speakers

Young H. Porambo (l) has been employed by the Eureka Police Department (EPD) as a sworn police officer since January 1, 2012. She is currently assigned to the Patrol Division. Prior to patrolling the streets of Eureka, Officer Porambo was assigned as a Detective with EPD's Problem Oriented Policing Unit otherwise known as POP. This hardworking team works together to solve issues that burden the community such as drug houses, nuisance abatement and illegal marijuana grows.

While at POP, Officer Porambo has investigated several reports identifying possible juvenile and adult sex trafficking victims along with sex trafficking suspects. She also has assisted senior police officers with multiple undercover prostitution stings in an attempt to identify women who are victims of human trafficking.

Kayla Baxley (r) was born and raised in Humboldt County, graduating from Eureka High School. In 2006, she earned a Bachelor of Arts degree in Criminal Justice from the University of Central Florida, with Minors in Crime Scene Investigations and Criminal Profiling. While in Florida, Kayla was an Intern with the Seminole County Sheriff's Office, working with a member of the FBI's ICAC (Internet Crimes Against Children) task force. Hired as a patrol deputy by the Humboldt County Sheriff's Office in 2007, she was promoted to HCSO Detective in 2010 and was assigned primarily to Child Sexual and Physical Abuse Investigations. In 2013 Kayla became an Investigator with the Humboldt County District Attorney's Office. She was assigned to the Sexual Assault Unit, handling primarily Child Sexual Abuse and Sexual Assault cases. In 2017, Kayla was awarded California's Investigator of the Year award by the California Sexual Assault Investigators Association.

President's Message

Our Women's History Tea was such a success. It IS a lot of work, but we have a wonderful traditional event, and I appreciate each and every one of the hostesses that lugged out their finery, and then shared the history of their precious table settings. It takes a great deal of behind-the-scenes organization to make it a success. I want to thank Karole Ely for all that she did to put all of the various details together, including coming in early and setting up coffee and tea, and then staying late to make sure everything was washed and put away. We must remember to thank her, as well as Maggie Gordon, who scrambled at the last minute to put together her own table.

Human trafficking in Humboldt County? Say it isn't so. But, alas, it is true, and our speakers this month will address the extent of this dreadful practice here, in Humboldt County. Please be sure to attend to hear about it and ask questions.

April marks the second to the last of our year's meetings. During our last meeting in May, along with our speaker, we will have our Annual Meeting. In May we will vote on our four elected officers, and we will vote on the budget for the fiscal year that begins on July 1, 2019. If you recall, in the past we voted on the budget at the September membership meeting, but we are now voting on everything at the May Annual Meeting. Incidentally, there are no bylaw proposed changes, which would have also been presented at the Annual Meeting. The slate of nominated officers and the proposed budget are included in this newsletter for your review. Please remember, if you are interested in participating as an officer and you have not yet made your desires known to Katy Garrison or me, nominations will be taken from the floor during the Annual Meeting. Also, those interested in serving as Directors on the board should let us know.

Where is our Branch's sound system? We own a sound system, and we have needed it this year. But, no one seems to know or remember where it is. Please contact me if you have any ideas.

We have a situation that requires everyone's attention. Our funds for scholarships need to be bolstered. This December we gave out more money (\$3,000) than we took in at our Gala (\$2,380). This is not a sustainable pattern. Here are some of the issues that have been presented to me:

- A. Some concern has been expressed that our scholarships do not provide enough money to the recipients. Tuition costs are rising, books and supplies are expensive, and every student needs a decent computer. We learned last May from our speaker, Dr. Jen Maguire, that housing/food insecurity is an issue at HSU.
- B. The goal is to collect and save scholarship money so that in years that we have several good applicants, we can award several scholarships. Likewise, in years when there are fewer good applicants, we can award fewer (or no) scholarships. Right now we have about \$3,700 in our Scholarship Fund. This could take care of next December, depending on the applicants.

Continued on next page

April 2019

C. There has been some discussion about the decreased scholarship funds raised at the Gala. The Board is looking for ideas to increase revenues. Can we enhance the Gala auction? Shall we look toward another fundraising event? Shall we ask members to voluntarily contribute to the Scholarship Fund? Should we ask all of our interest groups to instigate an assessment at the beginning of their meeting for the Scholarship Fund, as the bridge group has done for a book stipend and Reel People has done to Tech Trek?

This is food for thought, and hopefully, some good ideas.

See you all on April 6th!

nancy Kary

AAU(0) empowering women since 1881

Make Time for Action on Equal Pay Day

Tuesday, April 2, is a great day to take action on the <u>gender pay gap</u>. It's the date that symbolizes how many days into the year women must work to earn what men made in the previous year.

If you have...

One minute: Register for <u>Work Smart Online</u> to learn salary negotiation skills and help us meet the terms of our generous corporate grant from the Coca-Cola Foundation. Then take the course at your leisure.

Two minutes: Become a <u>two-minute activist</u> to encourage Congress to pass the <u>Paycheck Fairness</u> <u>Act</u>. The U.S. House of Representatives will vote on this soon.

Five minutes: Send an email to five women you know who could use a raise, or <u>tag them on social</u> <u>media</u>, to tell them about <u>Work Smart Online</u>. Taking this small step will help meet our big goal of training 100,000 women by August.

One hour or less: <u>Write a letter to the editor</u> or oped about the gender pay gap for your local paper. Encourage community members and elected officials to take action.

One day or more: Host an <u>online salary</u> <u>negotiation</u> night at your library or community center. <u>Meet with your elected officials</u> and discuss the pay gap in your <u>state</u> or <u>city</u>. <u>Host an issue</u> <u>forum</u> on pay equity and invite local experts.
